

An abstract painting featuring a rich palette of colors including deep reds, vibrant blues, bright yellows, and dark blacks. The brushstrokes are thick and expressive, creating a sense of movement and depth. The composition is layered, with various colors overlapping and blending into each other. The overall effect is one of intense energy and emotional resonance.

#### NÅGRA ORD OM BILDERNA

Mina bilder rör sej fram och tillbaka mellan det konkreta och abstrakta. Bilden får långsamt växa fram, jag ger några ledtrådar, betraktaren får själv fylla i det som fattas.

Motiven är ofta besläktade, samma motiv återkommer i olika tappningar och stämningar.

Ibland, någon gång uppstår någon slags storhet i arbetet, slumpen hjälper till i strävan efter autenticitet.
